WHY?

Why is PDY headed to ALASKA?

This is a great question. We believe that opportunities for students to serve is one of the best ways to put their relationship with Jesus to action. It is an opportunity for students to see and experience what God is doing in another place, culture, and community. We are excited to take the Great Commission (Matt. 28:18-20) to "GO" at face value, and be witnesses of what Christ has done, in and then through us to the world.

What will we be doing?

We will be doing a variety of different things. We will partner with a local food kitchen and food bank, gardening, stories with Alaskan natives, and serve a local church. Students will have opportunities to lead, share, pray with, and serve alongside those we encounter.

WHAT?

Who can go on this Summer Mission Trip?

This trip is for those who have talked with parents, prayed, and sensed God's leading to go. This includes both Jr. High & Sr. High Students excited to serve.

Who will we be partnering with?

None other than our amazing; Bill and Penny Gay from Pleasant Dale. They have been serving in Alaska for over 20 years! We will be partnering alongside them in Fairbanks, as we learn more about the ministries, outreach, gardening, and food pantries that they have built relationships with over the years. We are excited to join in with their ministry for a week this summer!
