## Summer Mission Newsletter

### 4 Days In

We made it and have now been in the Dominican for a couple days. We've had some incredibly hot days, but our ministry times have been awesome! Strategic Ministry Time in the mornings has been challenging but incredibly rewarding. Sports camp has grown to have around 60 kids each day! Please enjoy the photos below..

Team bus rides and Unloading & loading everyday!

### Our Hope:

*"To partner with Mission of Hope to be an extension of that ministry, and ultimately an extension of the hands and feet of Jesus to those in the Dominican."*

### Mission of Hope:

*"An organization that follows Jesus, existing to bring life transformation to every person. They seek to partner with local churches, and indigenous leaders so that ongoing ministry takes place long after teams have gone home."*

The picture to the left shows the gym that sports camp has been held in each day. Kids and team members are playing soccer.

The left picture shows kids that attended the camp listening intently to the Bible story.

The above picture shows the younger kids getting a chance to work on a craft project as the older kids scrimmaged.

God's beautiful work on display at our housing campus!
