# PDY SUMMER MISSION

DOMINICAN  
REPUBLIC  
JUNE 17 - JUNE 24  
2023

# Your TIMELINE

## WHY, WHAT, WHO?

### **Why is PDY headed to the D.R?**

**This is a great question. We believe that opportunities for students to serve is one of the best ways to put their relationship with Jesus to action. It is an opportunity for students to see and experience what God is doing in another country, culture, and community. We are excited to take the great Commission to "GO" at face value, and be witnesses of what Christ has done to the world.**

### **What will we be doing?**

**The focus of this trip is to share the Hope of Jesus Christ with Haitians who are living in the D.R. We are trusting that God will provide this through one of these ways; VBS, Sports Camp, Light-Construction, and community walks. Students will have opportunities to lead, share, pray with, and serve alongside those we encounter.**

### **Who can go on this Summer Mission Trip?**

**This trip is for those who have talked with parents, prayed, and sensed God's leading to go. This includes both Jr. High & Sr. High Students excited to serve.**

**Who will we be partnering with? Mission of Hope is the organization and is located in Jarabocoa, D.R. The town is located in central D.R. near the mountains. The following is part of Mission of Hope's mission statement;**

**"As an organization following Jesus Christ, Mission of Hope exists to bring life transformation to every man, woman, and child. There is a large Haitian population in the Dominican Republic, and we are committed to serving them, as well as other underserved communities."**
